## BURNING HEARTS—LIVES AFLAME Warren Higashi

Growing up in Pearl City Peninsula during the 1950s fishing was excellent in Pearl Harbor because of the abundance of Nehu – a small bait fish. In those days Nehu were also used by fisherman on sampans as chum for catching Aku. When a school of Aku was spotted, Nehu were tossed in the waters and water was sprayed causing the Aku to go into a frenzy. This made the Aku easy to catch with lures tied to lines secured to large bamboo poles.

On Black Friday some shoppers also go into a frenzy. Lured by ads for big sales, shoppers are drawn to stores in the hopes of getting a great deal. At one store we saw many shopping carts overflowing with merchandise that were left in the isles. It appears those shoppers had decided not to buy those items. It is written in 1 John 2:15-17, *"Do not love the world or the things in the world. If anyone loves the world, the love of the Father is not in him. For all that is in the world-desires of the flesh and the desires of the eyes and pride of possessions-is not from the Father but is from the world. And the world is passing away along with its desires, but whoever does the will of God abides forever."*
